

## **Quality Policy Statement**

It is the Policy of John Burn Ltd to provide products and services that consistently satisfy the needs and expectations of our customers. We are committed to do this by maintaining a framework for establishing and reviewing quality objectives, and through the use of documented procedures. To this end we have in place a Quality Management System based on the requirements of ISO 9001:2015.

Our Quality Management System is externally registered for “The distribution of 3-D printers, patterns, foundry and mould making adhesives and related tooling, consumables and accessories. The manufacture of cast metal identification plates, badges and lettering.

Strict adherence to documented procedures shall ensure compliance with the organization standards and demonstrate our commitment to continually improve the effectiveness of the Quality Management System.

Our Quality Management System involves all members of staff and they are encouraged to take individual responsibility for the quality of their own work and are encouraged to continually improve the working environment. We are committed to meeting the requirements of our customers as well as all legal and regulatory requirements.

SIGNATURE

A handwritten signature in blue ink, appearing to read 'John Henderson', is written over a horizontal line.
